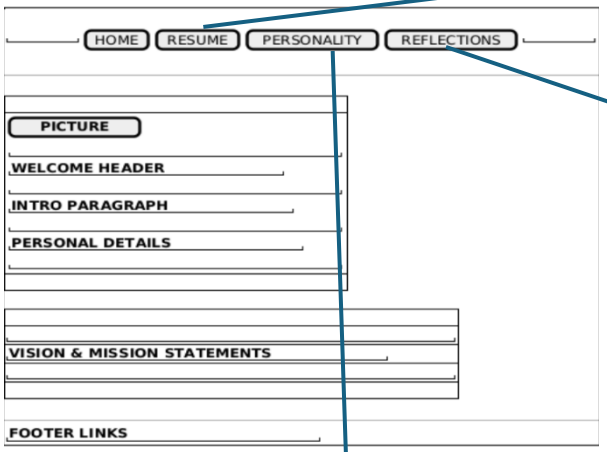
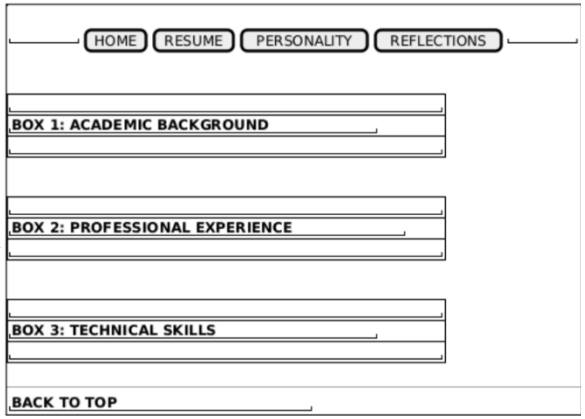
PERSONAL WEBSITE STORYBOARD

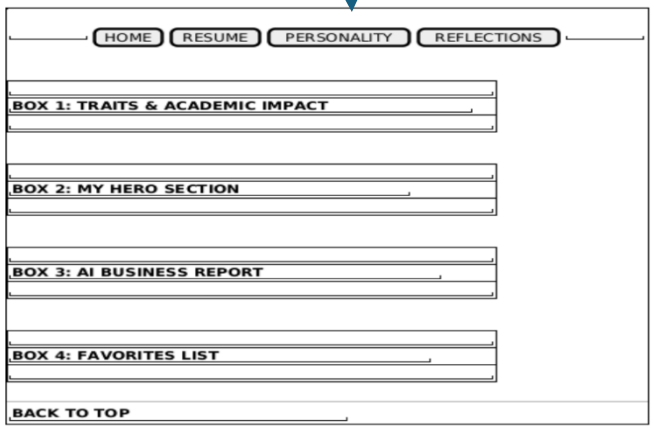
RICHARDO WHITE- 2103123

Home: This serves as the landing page, featuring a professional profile picture and a brief introduction to your background as an AI student. It also outlines your core vision and mission statements regarding tech innovation in Jamaica.

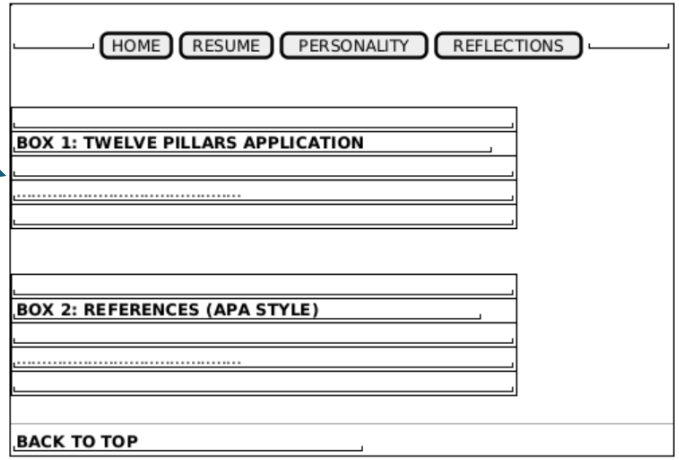


Resume: This section displays my academic history at UTech and career goals. It also provides a categorized inventory of my technical and soft skills.





Personality: This page explores your individual traits and includes a tribute to your tech hero. It also features an AI-focused business report and a list of your personal favorites.



Reflections: This section details your application of the "Twelve Pillars" to your personal development and references used.
